

## *Thinking Differently About Dementia*

We are a charity that provides support to those living with young onset dementia in Surrey Heath, NE Hants, Farnham and Berkshire. Services we provide are age-appropriate and meaningful workshops, 1:1 support, education courses and support groups. Young onset dementia affects adults under the age of 65. Nationally there are about 70,800 people with young onset dementia, with an estimated 900 in Surrey and 679 in Berkshire.
